Super Punch
Sunday May 5

Enjoying the fun Super Punch with cool refreshments and yummy goodies to celebrate everything families before folks leave for the summer. Thanks to the ladies of Member Care for all they do.

Peace Covenant has been blessed with a beautiful new to us grand piano for the sanctuary. The kind folks at the Venture Out church donated this to us as a thank you for our partnership with them.

This beautiful royal poinciana tree is another wonderful donation to the church this week. It has been given to the church to honor Rev. Ray Peters and his wife Eleanor, former regular attenders of PCPC, by their son Joel Peters. We are so happy to have this new addition to the grounds.
